Dear Judge:

Thank you for agreeing to be a judge at the 2019 Cariboo-Mainline Regional Science Fair. Your participation offers our students the opportunity to receive feedback from role models that share their interest in science. We hope this interaction will further motivate our students to pursue their interest in the sciences. The participating school districts and Thompson Rivers University appreciate your efforts.

Judging will take place on Thursday, April 11th, 2019 from 08:00 to 15:00 at TRU. There will be two judging sessions, one from 09:30 to 12:00 and the other from 13:00 to 15:30. We would appreciate your help at one or both of these sessions. There will be a training session for all judges at 08:00 to 09:00 in room **S373 (Science Building – beside the gym)**. If you have not judged before, this session will prepare you for the task. The schedule for the day will be as follows:

◆ 08:00	Judging Workshop	Room S 373 – Science Building
◆ 09:30	Judging Session #1	TRU Gymnasium
◆ 12:00	Judges Luncheon	TRU Gymnasium
◆ 13:00	Judging Session #2	TRU Gymnasium
◆ 15:30	Public Viewing	TRU Gymnasium

This year we are again asking that you register online to volunteer as a judge. We are using an online form this year for the registration process. To access this form go to:

- Go to <http://sciencefair.sd73.bc.ca>
- Click on the judges' registration link in the main menu (on the left hand side of the website)
- Fill in all the required information and click submit

If you have any question about judging at the fair or the registration process, please contact Chris Wood, Head Judge at cwood@sd73.bc.ca

Sample judging forms are on the website at <http://sciencefair.sd73.bc.ca>. At the site, find the link on the middle left to our "Filing Cabinet". At the login page, simply choose "login as a guest" (no password required). Click on the link for the "Judging Form and Rubric". You may view and/or print this document from the site if desired; a copy will be handed out to you at the judging workshop as well.

Please do not be concerned about a lack of experience with judging; this event is meant to be a positive experience for both the judges and the participants.

I look forward to working with you on April 11, 2019

Sincerely,

Chris Wood,
Head Judge
